Parent Education Committee

The Parent Education Committee would like for all Holy Family parents to be aware that there is a Parent Resource Library available inside our school library. Any parent of a Holy Family student may check out books from this library. There are books on education, emotional and physical development, discipline, Catholic parenting, bullying, etc. Parents with EIM badges may stop in to check out books any time there is staff in the library, except during Library Science class from 1:55-2:40. Parents without EIM badges who wish to

browse the parent library will need to make arrangements with Tana Reeve, tana.reeve@gmail.com. All visitors to the library during school hours must sign themselves in and out in the school office.

Car Signs for Sale!

Still need that car sign for drive-through line? The Parent Association has additional Car Signs for sale at \$4.00 each. Contact PA Treasurer, Michelle Kologinczak, at pmkolo@aol.com or by calling her at 512-468-7805 to purchase.

Parent Association Conference Child Care

Thursday and Friday, October 22nd & 23rd
Hours: Thursday, from 12 noon till 6 pm
Friday, from 8 am till 12 noon

In today's Wednesday folder is your assigned conference time(s) for your 20-minute parent conferences with your homeroom teacher(s)! These

conferences are to discuss our child(rens) progress so far this school year. The Parent Association is planning child-care during the conference times. This has been an invaluable service to many families so we would like to continue this service. However, we cannot run this service without EIM volunteers!

Please contact Alpa Brannam at alpa329@aol.com or (512) 255-6659 to let her know when you would like to sign up to volunteer. Availability of child-care is based on EIM certified volunteers. It works well to volunteer for a shift right before or right after your scheduled conference time(s). This service is open to children who are 12 months or older and will be held in the library (room 210 of the Charity Building).

Please remember that students may not be on campus unsupervised or in your vehicle for safety reasons. Thank you for your support!
