

Box Tops for Education™

The Parent Association is sponsoring our annual Box Tops for Education™ Competition

Program Details:

- Box Tops will be collected in Home rooms.
- Room parents will be asked to work with the homeroom teacher to provide or create a collection box/container for all of the Box Tops and designate a place in the classroom for the box/container.
- Room parents will be asked to communicate to parents details of the competition, upcoming collection deadlines, and updates.
- Parents are asked to send Box Tops in Ziploc® type bags, trimmed as neatly as possible, **labeled with the homeroom teacher's name**.
- During the competition dates, Mrs. Walker will remind teachers to turn in their Box Tops to her on designated turn in dates.
- Volunteers will be needed on "sorting/counting days" to assist with trimming, sorting, checking for expired Box Tops, and counting/collating (ideally 5-7 volunteers for about 1-2 hours; kids are welcome). These sorting days will typically take place on a specified Thursday after Mass.
- Volunteers will be solicited via the weekly E-Newsletter and occasional correspondence via email by the room parent(s). The Parents Association will be responsible for providing information about sorting dates, location, and online sign up.
- Quarterly counts will be displayed on the [Community Partners internet site](#).

Competition Details:
