

Choir of Angels Appeal

The simplest and most cost effective way to support Holy Family

Q. How does the Choir of Angels appeal help our school?

A. This annual appeal provides essential support for operating costs related to classroom materials and equipment, facility maintenance, special events & programs, technology, staff development, tuition assistance and salaries.

Q. Why does the school need funds beyond the tuition that is paid?

A. The costs of educating a child in a Catholic school have increased consistently over the years. We have addressed this concern by charging each family only a portion of what it actually costs to educate their children. This provides an opportunity and a challenge to fill this difference through charitable giving.

Q. What's the relationship between tuition and fundraising?

A. We believe that all of our needs are best served in a diverse community, where tuition stays affordable for the most number of families possible. For that reason, the full cost of educating each child is not charged to families, but is raised through the generous donations of friends and families of the school. Successful fundraising keeps tuition lower and it has the added benefit of providing possible tax benefits for our donors.

Q. How can I help?

A. We encourage all friends of Catholic education and families enrolled in our school to consider an annual gift to the Choir of Angels appeal, with each giving as they can. It will take the full support of the community to meet these needs.

Q. How can my gift be made?

A. Gifts of cash and pledges are the most common, but it may be advantageous to the donor to make a gift of appreciated stock. Visit our website to make an online donation with credit card, to initiate a matching gift and to learn about the stock donation process. Contact the Development Office to make a pledge or establish a recurring payment schedule. Make checks payable to Holy Family Catholic School, identifying it as a Choir of Angels donation. Q. What about a matching gift from my company?

A. Many families are employed in area companies that seek to support local non-profits such as parochial schools. This has the added benefit of doubling or significantly increasing the size of the gift that you make, which increases the benefits that you achieve. Call the Development Office for more information.

Q. Can trust or estate-type gifts be made to Holy Family?

A. Yes, if a donor wishes to make a gift of property, insurance or bequest, they should contact the Development Office at 255-4820.
