## 2nd Grade Overview

Second graders grow in their faith and knowledge throughout the year. The students learn about the Sacraments of Reconciliation and Eucharist and attend a retreat focused on these Sacraments. During the year, the students expand their reading skills and learn how to write about what they have read. In math, the students engage in more complex mathematical skills and develop different strategies to solve real world math problems using multi-digit addition and subtraction. The groundwork for multiplication and division is also established. Memorable experiences during the year include visiting the Priory, where the Dominican Sisters, Mary Mother of the Eucharist live, and leading the May Crowning prayer service.

Our goal is to partner with parents to nurture the growth of a child's heart, mind, body, and soul.  
We are Catholic promoting the teaching of the Church.
