Middle School Overview

Middle School is a time for students to learn and grow into the young person that God is calling them to be. Students participate in an advisory program, which is a small group of students and a teacher. They learn lessons and build community. The advisories are divided into four houses: Temperance, Prudence, Justice, and Fortitude. Students have the opportunity to learn and grow at their unique level. There are options for accelerated courses as well as academic support in Math and English. Students can earn high school credit in Spanish and some math classes including Geometry. Students learn about their faith through religion classes as well as prayer opportunities such as weekly Mass and monthly Adoration. Memorable events include the Eucharistic Rally, growing a garden in science, dances, and the talent show.

Our goal is to partner with parents to nurture the growth of a child's heart, mind, body, and soul.
We are Catholic promoting the teaching of the Church.
