Pre-Kindergarten 3 Overview

Pre-Kindergarten 3 (Pre-K3) is a year of discovery where children build confidence, independence, and foundational skills through hands-on exploration and guided play. Students strengthen social-emotional skills as they learn to cooperate, communicate, and develop classroom routines. They join the whole school for weekly Mass and monthly Adoration, where they sit with an 8th grade Mass mentor.

Through sensory exploration, dramatic play, and interactive learning centers, children develop early literacy awareness, language growth, and fine motor skills that support pencil grasp and pre-writing development. Pre-K3 lays the essential foundation that prepares students for the structured learning environment of Pre-K4.

Our goal is to partner with parents to nurture the growth of a child's heart, mind, body, and soul.

We are Catholic promoting the teaching of the Church.
