# President's Welcome

"We Are Family" is an iconic song that has been sung by many who consider themselves part of a "family" group. No matter the location, time, or circumstance, it is difficult to hear it playing without immediate thoughts of special people currently or formerly in your life. People who mattered. People who cared. People who impacted your life's journey. People you love and appreciate today.

Holy Family Catholic School is indeed a "family." A family of familiar and of new. A family of tradition and of innovation. A family of hope and of effort. A family of faith. This annual report reflects the past year and is a snapshot of activities, events, and stewardship. As you read through it, please know we could not list each person, program, event, or donation. Each does matter, though, and each is appreciated and valued. Hopefully, it captures the essence of what our school is about and shows appreciation for all the parishes, parents, relatives, friends, faculty, staff, and students who are part of our family, and who volunteer and choose to donate to its success. We thank you for your support. It does make a difference. We also humbly ask for your support for the 2023-2024 school year too.

There is anticipation and excitement for the new leadership team as they work closely with the faculty, staff, parents, and students of our PreK – 4th and 5th – 8th "schools within a school" model, the implementation of the professional development plan and resources provided from last year's generous "Fund a Need" monies, the focus on intentional and comprehensive positive culture and climate strategies, and the ability for everyone to have their own "home" now that the final building project is completed.

Is there more work to be done? Yes. Will we need time for our new and returning faculty and staff to grow in relationship with each other and you? Yes. Will we have the opportunity to grow in heart, mind, body, and soul? Yes. Each new school year is indeed a new chapter in the story of a school, just like it is another chapter in the story of a family. Let us work together, give thanks to God for our blessings, and ask for guidance along the way.

Now, cue the music and join the choir as we sing "We are family..." Thank you, take care, and God bless.

# Advancement Appreciation

As the Director of Advancement, it is my distinct pleasure to work with you, our community, for the past three years to raise the much-needed funds necessary to make Holy Family Catholic School an amazing place for our students and to facilitate the elevation of our school as we advance our mission and the educational experience of each child who crosses through our doors.

Since our inception almost 25 years ago, we have believed that all of our needs are best served in a diverse community where successful fundraising keeps tuition affordable for as many families as possible. This year has been no exception. Despite not quite hitting the mark in our annual fund appeal this fiscal year, we continue to follow industry trends. Our average annual gift has gradually increased by over 25% since 2020-2021. Our galas have continually set fundraising records, and Run with the Angels has almost tripled its NET raised with a focus on peer-to-peer fundraising, thus taking some of the fundraising heavy lifting outside of our direct community.

I want to thank each parent, grandparent, alumni family, board member, faculty and staff member, corporation, foundation, and friend of Holy Family for contributing to our fundraising success with the gifts of your time, talent, and treasure. You will see some of this success depicted here within the pages of our 2022-2023 Annual Report. Your generosity is humbling.

In reflecting on this past year, I am reminded of this very special quote which is sent to each benefactor upon receipt of their gift. I know we will each continue to model this as we continue to do the very best for our students at Holy Family.

*"We are each angels with one wing, and we can only fly by embracing one another." - Luciano de Crescenzo*
