

***Please use this to guide to help you discern your gift to the 2024-2025 Angel Fund Annual Appeal so you can be prepared to submit your gift or commitment card during our Week of Giving - September 23-26, 2024***

**“Respect the Past...Celebrate the Present...Build the Future”**

As a Catholic community we are called to sacrifice and to pay it forward. Holy Family was founded on these principles, and we have maintained them for 25 years, making us the thriving Catholic educational community that we are today.

Each year, we ask for EVERY family’s participation **at some level** in this appeal, as we know each family’s sacrifice looks different. Support of the annual fund appeal is a testament to the commitment and support of the Holy Family community towards the value of a Holy Family education. It enables the school to maintain its operations including competitive teacher salaries, tuition assistance, improved facilities, and investments in new resources and programs for our students without placing the entire financial burden on tuition. The Angel Fund helps fund the GAP between a student’s tuition and what it actually costs to educate a student at Holy Family Catholic School. This year, the GAP is **\$1906** per student.
