

Holy Family

CATHOLIC SCHOOL

Dear Families,

We have exciting news to share. After a collaborative discussion and review with the Communication Director, Athletic Director, various parents, including the Parent Association, several faculty and staff, and the Holy Family Principal, we are launching an official athletic logo for the first time in the history of Holy Family. We are also re-branding our mascot from the “Holy Family Blue Angels” to the “Holy Family Angels.”

As our school has grown over the years, so has our athletic program. Holy Family is now the 2nd largest middle school program in our Capital Area Private and Parochial Schools (CAPPS) league. Last year, the decision was made to develop a graphic for our school mascot.

Why change our name? - A search for a design that best identified with our program pulled us away from Blue Angels as the graphics led us directly to fighter jets and we discussed that uniforms, cheering sections etc. did not utilize "blue angels" in any way. We want to start creating branded decorations and increase the "spirit" look and feel on our campus, and this is all a great step in that direction.

The shift from Blue Angels to "Angels", leads us into an exciting new era for our school and or athletic program.

Please check out our new spirit wear and help support our "Angels" as they work hard to compete in the CAPPS League this fall:

- [Holy Family spirit wear, Austin, TX, Angels | 1st Place Spiritwear](#) (General)
- [Holy Family spirit wear, Austin, TX, Angels | 1st Place Spiritwear](#) (Athletics)

God Bless,

Erin Vu
