Don't see your child?

If you are a parent/guardian and do not see your student, it is likely that the school does not have your mobile number or the information on file is incomplete.

For support, parents can call **(813)-864-7627**

Each parent & user will need to register on their own smartphone with their own information.

The registration process consists of four steps, each shown in a separate screenshot:

- Step 1:** "What is your name?" with input fields for "First" and "Last", and a blue "Next" button.
- Step 2:** "What is your email?" with an "Email" input field and a blue "Next" button.
- Step 3:** "What is your phone number?" with a dropdown for "USA or Canada (+1)", a "Mobile Number" input field, and a blue "Next" button.
