JOAN WAGNER, Ph. D.  
**PRESIDENT**

We're grateful for another year of joyous experiences and special community celebrations! Each year, we recognize the many students, parents, faculty and staff that have supported us in our effort to expand the educational opportunities and nurture the growth of our students.

We are so inspired by our parents and guardians that have made the commitment to provide a Catholic education for their child. We know the sacrifice that our families make to support their children in an environment that thrives with community engagement, academic challenges and clearly defined expectations. In addition, the financial sacrifice is considerable. And yet, for those of us that have gone before you, we deeply value the result of forming the whole child, with the support of like-minded Catholic professionals.

Our students are fun, happy and active! They're interested in learning and truly excel when our programs are challenging and engaging. We seek to meet their needs and encourage them to achieve to the best of their ability. We're pleased to recognize them throughout the year for their growth and accomplishments.

We are thankful for a dedicated faculty and staff! In a year of growth and change, they deserve our highest praise for their commitment to our standards of academic excellence, faith formation and Catholic identity.

We look forward to celebrating the many changes that will take place on our campus this upcoming school year. The construction of our new facilities will forever stand as a reminder of the community's desire that a Catholic education be made available in this growing part of Austin. What a great time to be at Holy Family student! Blessings!

As another year comes to a close, I continue to watch in amazement as even our youngest students allow themselves to be the hands and feet of Christ. This year our students have participated in a number of service projects that support children and families both locally and globally including The Jennifer Wilks Foundation, Catholic Relief Services Rice Bowl Campaign, and a Day of Service at our seven supporting parishes. They have participated in retreats, Masses, group science projects, social studies field trips, and nine different sports throughout the year. We continue to learn from each other and how to live in community- a lifelong skill! I thank God for the incredible support our parents and teachers give this community each day. They spend endless hours in service to all of our children. My hope is that the summer months are a time of refreshment and renewal for all of our families.

KELLY LASTER, M. Ed.

**Holy Family fosters a commitment to know, love and serve God and one another. Since the opening of the school, the community has been blessed by seven supporting parishes in the north Austin area. The pastors of these parishes have given their time, talent, encouragement to their congregations and to our school.**

The faculty and staff are dedicated to developing religious instruction through student participation in the Mass, class projects, Eucharistic Processions, vocation presentations, Adoration, and retreats. Holy Family is blessed to have two teachers from the Dominican Sisters of Mary, Mother of the Eucharist—Sr. Maria Miguel and Sr. Mary Rita.

## LENTEN PRAYER SERVICE

On Holy Thursday, April 18, the entire student body assembled in the gym to watch the fourth grade students reenact the Passion of the Christ. Everyone participated in songs and reflection. The service closed with a reenactment of the burial of Jesus as the student body began the Triduum in prayer.

## RETREATS

## CATHOLIC SCHOOLS WEEK, JAN 27 - FEB 2

We recognized a unique theme each day of Catholic Schools Week. **Monday** celebrated students. Students chose a theme and matched it with their clothes. **Tuesday** celebrated benefactors in appreciation for their support. Priests were invited to campus to join middle school students for lunch. **Wednesday** celebrated community and everyone wore crazy socks. **Thursday** celebrated vocations and students led a Eucharistic Procession after Mass to each building on campus from St. Vincent de Paul Catholic Church with Fr. Dean Wilhelm. **Friday** celebrated the faculty and staff. Students wore crazy hairstyles to show their appreciation. Middle school students served the parishes with cleaning duties inside and outside. **Thank you to our priests, sisters, faculty and staff for enriching our students with the Catholic faith and religious instruction each week!**

Congratulations to class of 2019. We are proud of the dedication and hard work you have shown over the years at Holy Family. We look forward to seeing you at the Alumni Reunion on Thursday, January 9, 2020.

# Academic Excellence

Academic Excellence is one of the four core values that Holy Family upholds. Every student is encouraged to cultivate this fundamental principle.

2018-2019 PSIA participants

## LECTIO PROGRAM

Students in Grades 4-8 who read five or more Lectio books were recognized after the School Mass on **May 9, 2019**. Students in Grades 4-8 who read 15 or more Lectio books had a Lectio Pizza party on Wednesday May 15, 2019 during lunch period. Thank you to Ms. Kee and Mrs. Youngpeter for coordinating this effort!

## SIXTH GRADE SAINT PROJECT

To celebrate All Saints Day, the sixth-grade students learned more about a saint of their choice through research. Students read their saint's biography, researched and created an appropriate costume, and developed a monologue. Then, each sixth grader made their saint 'come alive' for younger students. This great celebration of All Saints Day helped everyone learn more about saints such as San Juan Diego, St. Joan of Arc, St. Maximilian Kolbe, St. Peter, and St. Teresa of Calcutta to name a few!

## WAX MUSEUM PROJECT

In October our 2nd grade students presented their biography research projects by presenting a Living Wax Museum in the gym. Students dressed up as their famous person then stood still behind their “activation donation” bags. Faculty, staff, students, and parents were encouraged to drop-in pennies to “activate” the figure who then told a first-person story about legends as diverse as Henry Ford, Amelia Earhart, Cleopatra, Neil Armstrong, and others. All collections were donated in honor of World Missions Month.

## BEST ROBOTICS

In October, Holy Family’s Iron Angels placed 13th out of 28 teams for the B.E.S.T. Robotics competition at Liberty Hill High School. Competition began strongly in 5th place, and the Iron Angels were the highest placed middle school out of the two middles that competed. All other teams in this competition, were high school competitors! The most rewarding part of the competition was being recognized for spirit and sportsmanship as well as the numerous positive comments that were received from officials and other coaches. Holy Family received the “BEST Dressed” award because of their t-shirt design and the Hawaiian shirts, leis, sunglasses, and duck earrings that truly showed a unified Iron Angels team. The head judge complimented the school on their spirit dance and was especially impressed with the invitation students gave to other teams to share practice time in the pit area to prepare for competition.

## RICE BOWL

The 8th Grade Social Justice Class sponsored a schoolwide Lenten service project to benefit Catholic Relief Services. The Rice Bowl project gave students the opportunity to make sacrifices during Lent and donate the money to CRS, which supports global projects including clean water initiatives and home-building projects. Almost \$3,000 was raised. All classes with 90% - 100% participation were given a free sock/shoe day.

## SCHOOL-WIDE SERVICE

There were several service activities within the classroom this year:

- PK, K and 1st graders created **care packages for the homeless**.
- Second graders created **Valentine's Day cards for patients** at Dell Children's Hospital.
- Third graders did chores around the house to earn money and bought items for the **food pantry at the Vincentian Family Center**.

## GRANDPARENTS' DAY

On November 15, students invited grandparents and friends to attend Mass. Afterward, middle school students and grandparents played a competitive game of BINGO. All were encouraged to stop by the book fair in the gym and participate in a craft making activity for a nursing home.

## ADVOCACY DAY AT THE CAPITOL

Eighth grade students attended alongside the Texas Catholic Conference of Bishops and learned more about public advocacy and the legislative process. The students conducted a mock hearing and learned more about the bills that relate to Catholic education.

# Fine Arts

School programs help students develop their talents and provide emotional growth.

## ONE-ACT PLAY

Congratulations to the One-Act Play middle school student team! In February, the team won first in the PSIA district competition with the production of *Wild Strawberries*. ## EXPANSION OF MUSIC

Holy Family music programs were mobile this year as Ms. Lake and Mrs. Pish traveled to each classroom to teach. PreK through elementary grades learned many selections and performed for parents throughout the year. During the fall semester, students culminated their learning experiences with a wonderful school-wide Advent program. Each elementary grade level performed a piece that included Biblical readings and church history from Creation through the Birth of Christ. While most grades performed vocally, fifth grade learned their selections on choir chimes. During the spring semester, grades 3-5 participated in a special on campus presentation by the Austin Jazz Workshop. The fourth grade presented the Holy Thursday prayer service. Students in grades 3-5 participated in a Paint-to-Music contest, hosted by the Austin Civic Orchestra.

## INSTRUMENTAL MUSIC

Overall, this was a great year for the music program under the direction of Mr. Schnieder. The instrumental music programs grew to 70 students involved in band or orchestra. Many different events throughout the year showcased our talents, including a school-wide Christmas concert in December and a spring concert in May. The musicians participated in the Catholic School Band and Orchestra Festival. During this event, students performed our concert programs for other Catholic schools. The event culminated with a performance by over 170 Catholic middle and high school musicians that formed one, giant ensemble. **"I am continuously encouraged and inspired by the consistent growth and enthusiasm our students show in their musical abilities,"** said Mr. Schnieder. **"I am looking forward to another great year!"**

# FROM THE *Chair of Advisors*

Once again we are about to embark on a school year at Holy Family. This fall my child is will start middle school and I am amazed, as most parents are, how fast they get there. Truly, I feel our children's time spent receiving their Catholic education at Holy Family during their formative years is invaluable. Enclosed you will find the annual report for the 2018-2019 school year. This includes the annual Choir of Angels Appeal, Gala, and Run with the Angels. As you review the annual report please realize there is a considerable team effort via the board of directors, financial committee, and staff to utilize the funds in an appropriate manner. We try to keep our tuition cost increases to a minimum each year so every child has an opportunity to receive a Catholic education at Holy Family. I cannot thank you enough for your gracious giving to our children. We are blessed to have people like you to continue to support our students. Let's look forward to another outstanding school year.

LOL KIDS DAY OUT

JOHN & SYLVIA WARNER

On April 5, our students, parents, grandparents, faculty, staff and priests came together for our 15th annual Run With The Angels event. Everyone came together and had a great time in support of our students and Holy Family. We raised nearly \$50,000! RWTA would not be a success without our wonderful donors, sponsors and volunteers including our chairs, Stacy Brown and Bridget Clark. **This year's sponsors helped raise a record amount for this event!**

**CHOIR OF ANGELS.** We would like to thank our 2018-2019 chairs, Chris and Lisa Pettinato, along with our many Choir of Angels class representatives for their hard work and dedication towards this year's appeal. **Together, our community has raised the most ever, nearly \$319,000!** We believe that all of our needs are best served in a diverse community, where tuition stays affordable for the most number of families possible. For that reason, the full cost of educating each child is not charged to families, but is raised through the generous donations of friends and families of the school. Successful fundraising keeps tuition lower for our families. We are forever grateful for our many donors that include our parents, grandparents, alumni, friends, Board members, faculty and staff members.

*Legacy Society*

Including Holy Family in your estate planning is a powerful act of philanthropy, one that serves as a testament to your belief in the importance of Catholic education. Bequests and life insurance transfers are among the planned gift options that can be beneficial to both the school and donor. The Legacy Society exists for those that want to provide a lasting legacy to Holy Family through a bequest. Contact the Development Office for information.
