Holy Family
Catholic School

CHALLENGING THE MIND. INSPIRING THE HEART.

My name is Tim Cullen and I am blessed and honored to grab the torch and carry the baton as part of the new leadership team for Holy Family Catholic. Best wishes for both Mrs. Laster and Dr. Wagner and welcome aboard Mrs. Erin Vu!

God calls us to follow His plan for us and when we answer that call, we end up exactly where we need to be at the right time we need to be there. This is why I am so excited about joining this journey with you as we build an even brighter future together. As we complete projects from the past, we also focus on what awaits us. We have only just begun.

May God bless you and may the programs, services, and facilities we provide our staff and students generate excellent results as they grow in relationship with God and with each other.

Welcome home! You belong here!

TIM CULLEN | PRESIDENT

OUR PHILOSOPHY & GOALS

Our school offers a curriculum stressing a challenging standards-driven academic program that seeks to prepare students for the most rigorous courses available in the high schools of their choice; a strong religious education program that equips students with a moral compass to last through their adolescent years and beyond; a climate of mutual respect and responsibility that fosters in students the ability and the will to be the servant leaders of tomorrow, and the educational programs and activities which promote self-respect and positive lifelong attitudes toward personal health and fitness.

CORE VALUES

Holy Family Catholic School holds firm to four core values which define our identity and culture and are the fundamental beliefs that guide the daily life of the school. The core values of the school are:

- Catholic Identity
- Faith Formation
- Academic Excellence
- Stewardship

ON THE COVER

Each week, students in first through eighth grades participate in Holy Mass, celebrated by one of the priests from our seven supporting parishes.

Dear Family and Friends of Holy Family,
The start of school has been full of blessings. As the new principal at Holy Family, I have felt the spirit of welcome from our community. I have enjoyed getting to know our families, students, faculty, and staff. From my interactions with our community, it is apparent that Holy Family believes in educating the whole child: body, mind, soul, and spirit. I feel so blessed to have joined this community and partner with our families in this mission.

At Holy Family, each member of our community is critical to our success. This year, we celebrate the completion of our office, preschool, library, and music buildings. We thank our community for their continued prayers and dedication to our mission. We prepare for our accreditation visit this spring by working on our Self Study. The visit supports our culture of ongoing improvement.

Thank you for partnering with us. God bless!

Erin Vu

OUR MISSION

Holy Family Catholic School is a regional school that works with parents to nurture the growth of the whole child — spiritually, intellectually, socially, emotionally and physically. Our school is Catholic — promoting the teachings of the Church and inclusive of diverse cultures and socioeconomic backgrounds. We seek to promote the development of these values by:

- Fostering a commitment to know, love, and serve God and one another (spiritual)
- Encouraging each child to attain his or her fullest potential (intellectual)
- Guiding students to become conscientious, successful members of a global community (social)
- Respecting and celebrating each child's individuality (emotional)
- Promoting a positive attitude towards a healthy lifestyle (physical)

= SUPPORTING PARISHES =

Since the opening of the school, the community has been blessed by seven supporting parishes in the north Austin area. The pastors of these parishes have given their time, talent, and encouragement to their congregations as well as to our school. We wish to thank them for their continued commitment to the growth of our students and our school.

Good Samaritan Award

Layla Tovar

We focus on service in our years at Holy Family. In scripture, the story that emphasizes this is the story of the Good Samaritan. It is said about this year's GS Award recipient that this student is always selfless and thinks of others before herself. Layla Tovar is this year's Good Samaritan recipient.

Academic Awards

These Middle School Awards recognize the students who have worked hard in their academics. We are proud of all our students! Individual subject grade awards are given to the top student for each subject for each grade. These awards are based on several criteria as well as a consensus of all Middle School teachers.

National Spanish Exam

Every year, all 8th grade students compete in the National Spanish Exam against peers from all over the country. The exam consists of a variety of language acquisition skills such as grammar, vocabulary, reading, listening, and comprehension. This exam is sponsored by the American Association of Teachers of Spanish and Portuguese. Attaining a medal or honorable mention for any student on the National Spanish Exam is very prestigious because the exams are the largest of their kind with over 146,000 students participating. Congratulations to the following medal winners:

== Catholic Identity ==

The atmosphere at Holy Family Catholic School provides a sound spirituality for the students. The school provides experiences and opportunities for students to know that God is a real presence in life. Our Catholic expression is embodied in Christian living, faith symbols, and sacramental preparation. Worship and spirituality are the essence and moral fiber of Holy Family. The Catholic identity of our school is not taken for granted — it is worked at, it is nourished and it is engaged by students, the faculty, the families, and the community.

All-school living rosary in October

With October being the month of the Holy Rosary, we took the opportunity to install a living rosary around our school cross. Students in all grades participated by making the beads for the rosary during art classes. These beads were then put together to form a full rosary around our cross. Teachers and students alike took the opportunity to head outside and spend some time in prayer.

St. JPII Relic at Mass

October 22 is St. John Paul II's feast day which happened to fall on a Thursday in 2021. Our celebrant for that school Mass was Deacon Mark who, as a gift for his ordination as a Deacon, received a first-class relic of St. John Paul II. Deacon Mark generously shared that relic with us at Mass that day. We were truly blessed to have a Saint in our midst!

Sixth grade learns about the lives of the saints

Our sixth grade All Saints Day project is an annual tradition that the whole community looks forward to. The sixth grade students choose a saint and through a month-long research project, learn more about his or her life. They take that knowledge and create an appropriate costume to wear to Mass, write a monologue to present to younger grades and help us all learn a little more about the saint's lives.

== Faith Formation ==

The Holy Family Catholic School community strives to foster spiritual growth by modeling the Gospel values of faith, hope, love, community, reconciliation, service, justice, and courage. Daily prayer and the Good News of Jesus Christ are integrated into the total school community through education and witness.

Bishop Vásquez celebrates Mass, blesses new buildings

On March 24, Bishop Vásquez celebrated Mass at St. Vincent de Paul Catholic Church, in recognition of the 20th anniversary of Holy Family Catholic School. Our school has served hundreds of families over the years, and we thank God for His many blessings. We are thankful for the support of those that have served our community as faculty, staff, board members, priests, students and parents. Each has contributed to our history and become an integral part of the community that exists today.

Following Mass, Bishop Vásquez blessed our new buildings - the new "Grace" building which houses the administrative offices and the library, the new "Joy" PreK building, the new "Praise" Music building, and the Pavilion. What a pleasure it is to celebrate such occasions in one day!

Stewardship

The Holy Family Catholic School community promotes stewardship in our daily lives. As Jesus teaches us, Holy Family promotes living Gospel values with a call to action for all students, faculty, and families through the offering of time, talent, and treasure to the Church and the community. Holy Family will act as responsible stewards of the gifts it has been given and requires fiscal responsibility in all its activities. Holy Family must provide students, our most precious responsibility, an environment where they are protected and safe.

Taking a “Bite out of Hunger” for the Food Pantry

In conjunction with World Hunger Awareness Day which is October 16, Holy Family hosted a school wide service project benefitting the St. Vincent de Paul Food Bank. Students were encouraged to bring non-perishable food items during a one week period. All participating classes received a popsicle party and the winning class in each building had an ice cream party. Congratulations to Ms. Phelan, Mrs. Urtado, and Mrs. Cratty's classes! Together we donated **4,641** items of food to the Client-Choice Food Pantry!

Commemorating Veterans Day at Holy Family

Each November 11, our school honors family and friends who are serving or have served in the United States military by holding a special flag-raising ceremony led by Holy Family's Cub Scout Pack 97. We begin the day in prayer and thanksgiving for all

veterans. Students who participate in Cub Scouts, Girls Scouts, and American Heritage Girls are all encouraged to wear their uniforms to show their support for these servicemen and women.

Festive Fridays bring fun, joy this year

The HFCS Committee (Happiness-Festivities-Cheerfulness-Smiles) was created to focus on ways to bring joy into our community and classrooms during this uncertain year. One of their initiatives was Festive Friday! Each Friday during the school year had its own theme and gave students a chance to dress accordingly. Over the course of this unusual year, we got to “sock” it to Covid and wore our craziest socks. When Covid “made us CRAZY”, we had crazy hair! DJ Laster treated us to a school wide dance party over the PA system, we celebrated our faith and several saints including St. Patrick and St. Joseph, we honored all of the hardworking frontline heroes, we built snowmen, had a clash of colors and so much more. Thank you to this fabulous committee for giving our community the joy it needed this last year!

Academic Excellence

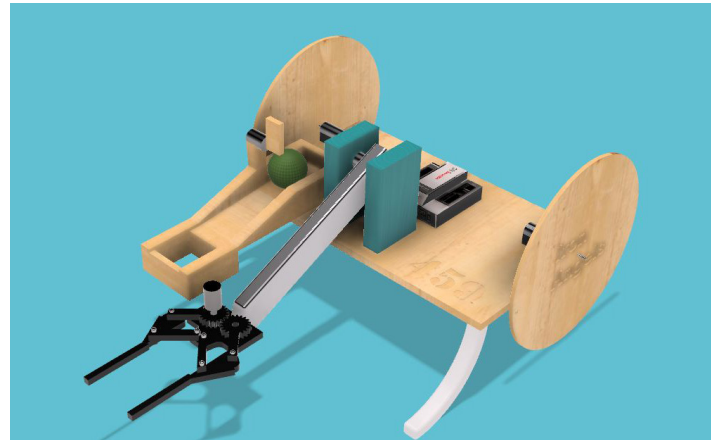

Holy Family Catholic School is dedicated to the highest academic standards. Excellence is the norm. Teachers are expected to teach; students are expected to learn. Holy Family offers students the means to receive a comprehensive, well-rounded education built on traditional foundational knowledge and skills. This education also includes training in technical and scientific skills, complex communication, collaborative processes, and the Christian ethical formation to use these tools to make a positive contribution to society.

Iron Angels Earn “Texas BEST” Title for 4th Year

For the fourth time and the second year in a row, the Holy Family Catholic School Iron Angels have earned the title of “Texas BEST Robotics Championship Team” proving that our little middle school can “think outside the box” as well as any high school.

This season’s challenge - “OUTBREAK, Adjusting to the Threat” – started with twenty-eight teams. Holy Family designed a virtual (CAD) robot named St. Edmund that could isolate cells, detect healthy cells vs. infected cells, and deliver a vaccine when needed, giving them a second-place finish in the head to head virtual robotics tournament.

In the COVID Minecraft Challenge, hosted by UT Dallas, they built a clinic, tapped rubber trees, and mined to produce PPE and find cures for patients. In Round 1, the Holy Family Virtual Clinic came in sixth place beating over 20 high schools in the Austin area. After the second round,

they were in first place nationally!

Other awards earned included a third place finish overall in the BESTMania Skills Quiz and a first place finish in the Website Design Challenge. The Iron Angels worked online through Microsoft Teams and Zoom to overcome numerous obstacles to ensure they were well represented. Please join us in congratulating this talented, creative, competitive, and motivated group of middle school students!

Theater Invited to Compete at State Competition in April

Holy Family Middle School Theater students placed 2nd in the PSIA regional competition with their production of *The Infamous Soothing System of Professor Maillard* adapted by Raleigh Marcell Jr., based on Edgar Allan Poe's *The System of Dr. Tarr and Prof. Fether*. Four of our students were presented with awards for their performances that weekend. John Cogwin, Lauren Mackowski, and Anne Marie Simmons received All Star Cast awards while Jackson Sloma received an Honorable Mention Cast award. With that win, the students were invited to the State competition at the end of April.

While Holy Family gave their best performance

to date, they did not place at the State competition. Nonetheless, we had several students who were recognized for their performances during that competition. All Star Cast awards were presented to Lauren Mackowski, Anne Marie Simmons and Jackson Sloma. An Honorable Mention Cast award was presented to Cecilia Cogwin.

A HUGE thank you to Mrs. Jeanne Lyman, Ms. Cammy Phelan, Mrs. Angela Quinn, and Ms. Shari Ruiz for the outpouring of time and talent that they provide these students with for the seven months that it takes to make this happen. Thank you!

Kinder Writer's Workshop Promotes the Art of Writing

For the last few weeks of the school year, our Kindergartners work on becoming published authors. They come up with several story ideas and workshop them with their teachers. Once they have chosen a story, they write, illustrate, and publish their own books.

In celebration of this accomplishment, parents are invited to campus to hear the students read their books. This year, the event was held in our new pavilion. It is such a joy to listen to them read their stories aloud and to see the pride on their faces!

Great Performance by Cross Country at CAPPs

Our cross country team had the privilege of participating in the CAPPs XC meet this year. We had an incredible performance by the entire team. HFCS won 3 out of 4 divisions, and these athletes could not have done it without the support of their parents, coaches and staff. What great news in a crazy 2020! Congratulations Blue Angel Runners!

Blue Angels MVP & Most Improved Awards

Each season our coaches and teams choose a Most Valuable Player and a Most Improved Player to be recognized at our Athletics Award Night. The MVP award is given to the athlete the coaches feel has made the most impact on the team; that not only contributed skill and athleticism, but also by supporting the team throughout the season. The Most Improved award is given to the athlete who the coaches feel has made a significant gain in their playing abilities. This player is someone who, throughout the season, became a better player through diligence and commitment.

Faith in Action Awards

The Faith in Action award is chosen by the Athletic Directors, with input from their coaches. This award is given to a student-athlete who brings his or her best self to practice, games, and student life. These student-athletes have developed and demonstrated courage, determination, persistence, good decision-making skills, strong leadership, and respectfulness. They exemplify Christ through their sportsmanship, both on and off the field.

Fond Farewells

Dear Holy Family Community,

Little did I know when I moved to Austin in 2008, that my experience as Principal and President of Holy Family would be the joyful highlight of my 30 years in Catholic education. This community has touched my heart, deepened my faith, honed my skills, and toughened my skin! I've learned what it means to serve in a Catholic community. It is a gift that will keep on giving, as I transition to life on the outside!

Our children are the delight of our days. We spend an enormous amount of time with them, and we experience their joys and trials as our families do. As Catholic educators, we are in it for the children! I am so very proud of our students, their supportive parents, and our devoted faculty and staff. I leave Holy Family thinking "Now that's the way education should be!" We are an integrated community with the common theme of faith, and the effects are amazing.

Know that this community will be in my prayers continuously. I am so glad I got to spend these final years with you.

Blessings to all,

A handwritten signature in black ink, reading "Joan Wagner".

Joan Wagner, Ph. D. | President

To This Beautiful Community of Faith,

We often jokingly say that it takes a village to raise each child. But, in reality, I believe this "village" has raised me to become the woman God has intended me to be. I couldn't possibly choose a favorite from all the incredible experiences over these 21 years. They have each taught me something, whether it be peace, patience, joy, charity, goodness, understanding, fortitude. Please know each child that has walked through these doors has touched my heart. Even if my aging mind forgets their names, their souls will be known to me always.

I could not say goodbye without gratefully acknowledging every colleague who has lifted me up with their dedication, laughter, and friendship, especially this year. I feel like God gave me an extra year to appreciate their amazing talents. It has also been a great pleasure to meet and get to know Mrs. Erin Vu, our new principal. Her strong faith and dedication to Catholic education will be a beautiful fit for this community. I look forward to the next phase in the life of Holy Family and the crucial service it provides Catholic families in central Texas.

It has been my privilege to serve each family in our community. May God grant you the deep peace and love that only comes from His heart.

Kelly Laster, M. Ed. | Principal

Creativity in Crisis:

Compete N Treat for Virtual Fun

The Holy Family Parent Association made the heartbreaking decision to cancel our annual Eat N Treat event because COVID, once again, forced us to reimagine how we could interact with each other. The Parent Association came up with a great alternative though! They put on a virtual costume contest as well as a virtual pumpkin carving contest!

Pavilion Provides New Opportunities

What began as a capital campaign back in 2016 came to life in the spring of 2020. The open-air pavilion that was initially imagined as a simple, central eating space with the flexibility of being a large gathering space and sport court quickly became so much more than we imagined. It gave us the option of outdoor PE, a dry place to Run With The Angels, it hosted our annual Gala, a vocabulary parade, a writer's workshop as well as being a gathering space to honor our Lectio Book Award and middle school award winners, and even provided Mrs. Laster her final hurrah as principal.

Catholic School Service Award goes to Dr. Brad Bookmyer

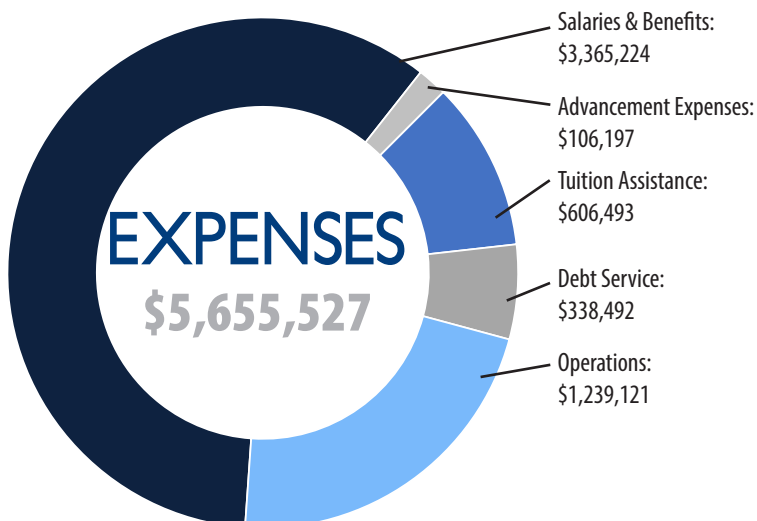

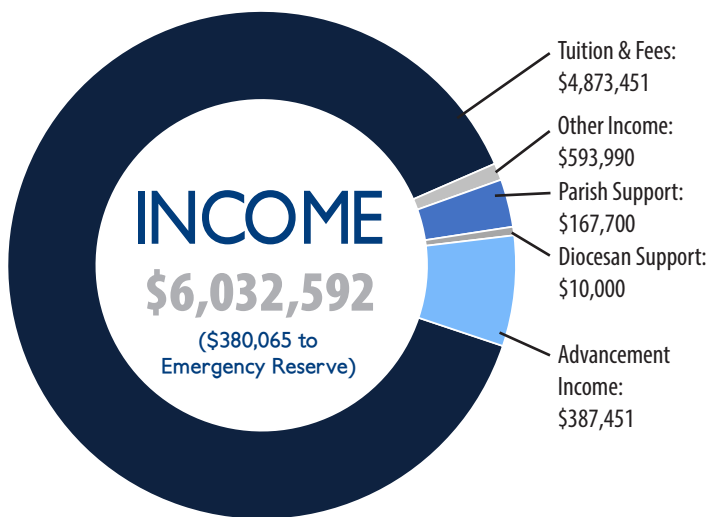

Since 2009, the 20 Catholic school communities of the Diocese of Austin have gathered every January to celebrate National Catholic Schools Week, honoring an unsung hero from each of their communities and raising funds in support of tuition assistance programs.

This year, Holy Family was honored to recognize Dr. Brad Bookmyer for our Catholic School Service Award for the 2020-2021 school year. Dr. Bookmyer has served on the Holy Family school board since 2013, serving as President since 2014. Dr. Bookmyer's long-time service as board chair can be explained by his joyous desire to serve, his calm demeanor and his unwavering commitment to Holy Family. Dr. Bookmyer is a thoughtful leader and is never ruffled by human nature or the challenges that we face. He and his wife Kelsey are generous supporters of the school, and he is the only person to have ever asked us "Do you need any more money?" That delightful expression makes him eligible to be permanently enshrined as our recipient of the Catholic Education Service Award!

ANNUAL APPEAL

2020 ∞ 2021

We believe that all of our needs are best served in a diverse community, where successful fundraising keeps tuition affordable for as many families as possible. For that reason, the full cost of educating each child is not charged to families but is raised through the generous donations from friends and families of the school. We are forever grateful for our many donors that include our parents, grandparents, alumni, friends, Board members, and faculty and staff.

We would like to thank our 2020-2021 Choir of Angels chairs, Ryan and Alexis Dobson, for their continued hard work and dedication to the Choir of Angels appeal. We believe that all of our needs are best served in a diverse community, where tuition stays affordable for as many families as possible. For that reason, the full cost of educating each child is not charged to families, but is raised through generous donations from our many donors that include our parents, grandparents, alumni, friends, Board members, faculty, and staff members.

Thank you to our amazing gala committee, especially:

Joanie Butler, Event Coordinator
Lauren Rogers, Event Chair

We would also like to thank the numerous event day parent volunteers as well as the Savio students who helped make the evening a memorable one!

On April 16, under the cover of our brand new pavilion, we were once again able to Run With The Angels! Our morning started with the announcement of our raffle winners and top fundraisers. As each grade came out, our PE teachers got them ready to run with some fun warm up stretches. Once DJ "Sunshine" started the music, there was no looking back - our students took off running! And for all their hard work, they were rewarded with a delicious donut. This would not have been possible without our wonderful sponsors, donors and volunteers especially Stacy Brown, RWTA event chair. Thank you to everyone who helped make our event such a success!
