*Challenging the mind. Inspiring the heart.*

## Publication Authorization

Students at Holy Family Catholic School are often photographed. Sometimes we like to include these photos in school publications, our school website, and our social media sites including Facebook and Twitter for various purposes including publicity, marketing, public relations and student recruitment. Individual student identities of those pictures are never published by us, and we do not authorize the media to do so. Declining permission refers to all instances, except yearbook, class and team pictures in which all students appear.

Yes, I give permission to use my child's photograph for the above mentioned publications.

No, I decline permission for my child's photograph to be used.
